# VOCAL ARTS MASTERCLASS DAY

NICOLE ASEL

TIFFANY BLAKE

JOHN LINDSEY

Join us on the CSU campus for a day of masterclasses and activities for private voice students and their teachers!

Faculty from the CSU voice area will conduct sessions covering a range of topics for students, including classical and music theater technique, body alignment and usage, and acting.

Students will have the opportunity to sing in masterclasses throughout the day, working on honing the craft of singing.

The day concludes by attending the CSU Ralph Opera Center performance of Aaron Copland's "The Tender Land" followed by a talk-back session with the student performers.
