### Assignment Requirements and Instructions

- One Credit: Reflections on 13 Units of CMEA Workshop Sessions
- Two Credits: Reflections on 26 Units of CMEA Workshop Sessions

A "unit" for the purposes of Continuing Education credits through the 2025 CMEA Clinic/Conference will include all sessions of lectures, workshops, master classes, concerts, and professional meetings. *Please note that time spent in the Exhibit Hall will NOT be considered an appropriate unit for this course.* Each unit corresponds to approximately one hour; sessions that are slightly shorter than a unit may be rounded up. Please contact the Instructor of Record if there are any questions regarding the appropriate designation of units for a particular session.

For each completed unit during the conference, you will complete a brief summary reflection (approximately, but not strictly confined to 60-150 words) addressing the following prompts:

- Name of Session, Name of Presider, Date/Time of Session
- List of topics discussed in this session (or repertoire performed in concerts)
- How does this material apply to your professional practice?
- Review any resources provided and discuss how they can specifically apply to your work as a music educator.

Each reflection should be written in a professional tone, with correct spelling/grammar throughout. It is recommended that you take notes through each session to facilitate the writing process for each reflection. It is acceptable if reflections exceed the recommended word count. All responses must be typed – no handwritten reflections will be accepted. If additional information or revisions are necessary, the Instructor of Record will provide specific feedback and instructions for the successful completion of this course.

### Assignment Submission

This year's CMEA Continuing Education Credits assignment will be accepted electronically via e-mail to the Instructor of Record ([adam.torres@colostate.edu](mailto:adam.torres@colostate.edu)).

- Please submit a .doc, .docx, or .pdf file of your reflections as an e-mail attachment or as a link to a hosted file through Google Docs, OneDrive, Dropbox, etc. Please be sure that privacy settings are appropriately configured to allow Instructor access.

### Checklist and Deadlines

1. Complete MU 590D Registration Online. **Registration Deadline: February 9, 2025.**
2. Complete the appropriate number of sessions for the credits you seek (13 reflections for one credit, 26 reflections for two credits). Submit a completed Reflections Assignment to the Instructor of record by **Sunday, February 16, 2026.**
3. Grades will be submitted to the Registrar's Office for processing by March 1, 2025. Please be aware that reflections lacking in content or formality of prose may require a resubmission – deadlines for these occurrences will be on a case-by-case basis at the instructor's discretion, considering the student's professional obligations.

If you have any questions, don't hesitate to contact the Instructor of Record. Thank you for your work as a music educator, enriching the lives of Colorado students through the infinite varieties of the musical spectrum, and for choosing the Colorado State University School of Music, Theatre, and Dance to pursue continuing education credits.
